

# **FISCAL NOTE**

## **SB 984 - HB 729**

February 22, 1997

**SUMMARY OF BILL:** Makes sand and gravel mining requirements in Shelby county identical with the requirements in the rest of the state by deleting the requirement that permits be obtained from the Department of Environment and Conservation for such mining.

### **ESTIMATED FISCAL IMPACT:**

**Decrease State Revenues - \$6,750 Recurring**

Cost estimates reflect the decrease in fees currently collected for Annual Mining Permits @ \$250 and a one-time Acreage Permit Fee @ \$25.00 per acre

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James A. Davenport".

James A. Davenport, Executive Director

**SB 984 - HB 729**
